

**WEST GOSHEN TOWNSHIP
BOARD OF SUPERVISORS MEETING
November 8, 2006**

A regular meeting of the Board of Supervisors of West Goshen Township was called to order by Chairman Dr. Robert S. White at 4:02 p.m. on Wednesday, November 8, 2006, at the West Goshen Township Administration Building. All members were present. Dr. White opened the meeting with the Pledge of Allegiance to the Flag.

Dr. White opened the floor for public comment.

Mr. Andrew Bernhardt, 914 Kirby Drive, stated that the sale of the Daily Local News at the intersection of Goshen Road and Fernhill Road is causing traffic to back up and the potential for accidents. Mr. Bernhardt said that the problem occurs because the newspaper sellers are standing in one spot and selling papers when the traffic signal is green rather than waiting for a red signal and moving down the line of traffic. He stated that he has contacted the Daily Local News with no success at resolving the problem. Dr. White said that this is a police issue and referred the matter to Lt. Joseph Gleason who was present for the meeting. Lt. Gleason responded that he will contact the Traffic Safety Unit and have them investigate the complaint.

Ms. Cheryl Ardin, West Chester University Student Government Association "Senator" representing West Goshen Township, West Chester, announced that the University Public Safety Department has initiated a new program to promote responsible behavior and to deter alcoholic consumption by students.
